IMPROVE YOUR WORKPLACE HYGIENE WITH WELLS 5S & VIKAN.

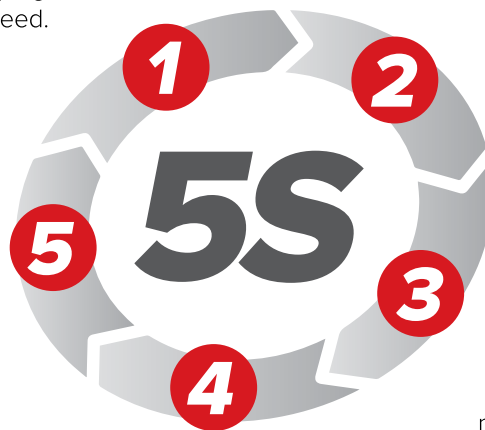

Implement Wells 5S Hygiene System as part of your continuous improvement program and improve productivity, prevent cross contamination and maximise compliance.

SORT

Clearing up your workplace, keeping only what you need.

SET IN ORDER

Organise, identify and arrange everything in your workplace.

SUSTAIN

Ensure adherence to the system to maintain a safe and efficient workplace.

SHINE

Regularly clean and maintain your equipment and work environment.

STANDARDISE

Make sure everyone is doing the same thing in the same way.

Made in Denmark and Sweden. Vikan hygiene system® is one of the most comprehensive systems in the world created for manual cleaning and food handling.

More information:
vikan.com

Largely manufactured in the UK, the metal and x-ray detectable products range was the first and remains the best quality range in Australia and New Zealand.

More information:
AUS: metaldetectableproducts.com.au
NZ: metaldetectableproducts.co.nz

Made in Sweden, The Toolflex® Professional System represents one of the most comprehensive and 'clever' yet simple range of colour coded tool holders.

5S EQUIPMENT SHADOW BOARDS

We can provide you with an simple and easy to follow identification system to help you maintain a safe an efficient workplace.

Customised for Your Workplace

Specified and designed to your standards and requirements, our 5S system is hygienic, washable, durable and a highly effective way to organise your workplace.

- ✓ Your Company Logo
- ✓ Your Location Name
- ✓ Your Area Colours
- ✓ Your Standards
- ✓ Mobile or Mounted

5S SHADOW BOARDS MOUNTED SYSTEMS

Fully customisable option, with boards ranging in size from 300x300mm to 2200x1200mm.

If your area requires larger boards we can also create layouts to run over multiple sheets to help you establish the perfect storage system.

Looking to keep it standard?

Below is a list of commonly ordered sizes:

- 2200 (H) x 1200mm (W)
- 2200 (H) x 900mm (W)
- 2200 (H) x 600mm (W)
- 1200 (H) x 1200mm (W)
- 1200 (H) x 600mm (W)
- 900 (H) x 600mm (W)
- 600 (H) x 600mm (W)
- 300 (H) x 300mm (W)

5S SHADOW BOARDS MOBILE SYSTEMS

- Full size double sided 2200mm (H) x 1200mm (W)
- Full size single sided 2200mm (H) x 1200mm (W)
- Narrow double sided 2200mm (H) x 700mm (W)
- Narrow single sided 2200mm (H) x 700mm (W)

Mobile systems are fully constructed of stainless steel and feature hi-vis legs.

* Other board types, sizes and materials are available upon request.
