Internet Access Application Form

Option 1: Would you like to connect up to 2 WiFi enabled devices to the Internet? (Phone, tablet or laptop)

Basic wireless Internet access - **\$40 + GST per day**

This option includes a single user name and password to our wireless hotspot available in all the halls at the ASB Showgrounds and can be used for up to 2 devices.

How many do you require?

If you have 1-2 devices you'd like to connect to the Internet for the purposes of web browsing or access to email then this is for you. This option will not support streaming, multi media or transactional software.

Option 2: Would you like a hard wired connection to our super fast Internet connection?

Hard wired connection from our network to your device - **\$200 + GST**

This option includes one hardwired connection from our network to your device, installed right into your stand.

You must not connect any unapproved router to our cable, this is prohibited due to fire, health and safety rules.

If you must have a stable connection to the Internet/cloud services or require a low latency, high bandwidth connection for online gaming/streaming media then this is it. We'll drop a cable into your stand ready for connection to your devices' network port. If possible please let us know where in your stand you would like your connection delivered.

Option 3: Would you like to connect 1-5 WiFi enabled devices and have the ability to access streaming multimedia web content wirelessly as a part of your display?

Local private wireless network access - **\$250 + GST for the entire event**

This option includes a hardwired connection with a WiFi router put up in your stand just for you.

You must not connect any unapproved router to our cable, this is prohibited due to fire, health and safety rules.

This package is available to those that would like to stream media from the cloud/Internet on your WiFi enabled devices as a part of your multimedia presentation, or connect a larger number of wireless devices in a single area around your stand.

Option 4: Would you like to connect 5+ WiFi enabled devices and have the ability to access streaming multimedia web content wirelessly as a part of your display?

Local private wireless network access - **\$500 + GST for the entire event**

This option includes a hardwired connection with a WiFi router put up in your stand just for you.

You must not connect any unapproved router to our cable, this is prohibited due to fire, health and safety rules.

This package is available to those that would like to stream media from the cloud/Internet on your WiFi enabled devices as a part of your multimedia presentation, or connect a larger number of wireless devices in a single area around your stand.

Internet Access Application Form

TERMS & CONDITIONS

INTERNET ACCESS

WIFI Passwords

- It is the exhibitors responsibly to test all log in details on Setup day prior to the Event/Show.
- ADSEL take no responsibly for the loss or misplacement of WIFI Passwords.
- The exhibitor must be aware that some selected devices may vary on the connection speed supplied by ADSEL.

Hardwired Internet

- ADSEL will run the cable to your stand on exhibitor set up day.
- ADSEL will not be responsible for the visibility of the cable within your stand.
- Should you require extra lengths of hardwired cabling, this must be arranged prior to the event. ADSEL only cater for a standard sized stall. Additional charges will apply for all requests made on or after Exhibitor set up day.
- The connection will be tested on exhibitor set up day. Once an ADSEL employee has activated the Internet at your stand, they are not responsible for logging on to your selected device.
- ASB Showgrounds and ADSEL prohibit the use of any additional routers or access points without prior arrangement.
- If you require ADSEL to assist with your setup, a minimum fee of \$150 + GST will be charged.

Private Wireless Network

- It is at the discretion of ADSEL who is allocated Private Wireless Networks.
- Only one user name and one password will be supplied per Private Wireless Network.
- An ADSEL employee will only provide the login details to the e-mail address supplied on the booking form for the event contact. It is the customers' responsibility to ensure the correct person has this at the event.
- ADSEL will not be responsible for the setup of the exhibitors selected devices within their stand.
- ASB Showgrounds and ADSEL prohibit the use of any additional routers or access points without prior arrangement.
- If you require ADSEL to assist with your setup, a minimum fee of \$150 + GST will be charged.

You must not connect any unapproved router or device to our cable, this will affect the network capacity and is prohibited due to fire, health and safety rules.

EQUIPMENT RENTAL

All equipment remains the property of ADSEL Specialty Systems Ltd (ADSEL).

- The renter will be liable for the replacement cost of any lost or stolen equipment.
- The renter will be liable for any costs associated with the repair of damaged equipment, including, but not limited to, damage from dropping equipment, fire damage, liquid damage or any other misuse or negligence on the part of the renter.
- In the case of irreparable damage, the full replacement cost of the equipment plus any additional fixtures or fittings will be enforced by ADSEL.
- ADSEL reserves the right to charge the credit card of the renter for any replacement or repairs to any lost or damaged equipment.
- A cancellation fee of \$100 + GST applies to any orders cancelled once booked either on line or through an ADSEL employee.
- If ADSEL is called out to attend to a fault and the fault is deemed not an ADSEL fault, the exhibitor will be charged a minimum of \$150 + GST call out fee.
- Once your equipment rental has been set up at your stand by an ADSEL employee, ADSEL are not responsible for any movement or replacement of the device. Should you require your equipment at a desired location, this must be arranged and located on a site map prior to Exhibitor set up day.
- An ADSEL employee will be on site for the exhibitor set up day, to drop off and install equipment, along with a quick reference manual.
- Should you require onsite training, please advise ADSEL prior to the event and a technician will provide you with the available times. All training will be carried out on Exhibitor Set up day. For any training that is not pre arranged additional charges will apply.
- No equipment is to be left unattended throughout the opening hours of your Event/Show.
- An ADSEL employee will be on site at the end of the event/show to collect all rented equipment, unless prearranged with ADSEL, prior to the Event/Show.
- If, for any reason, the equipment is removed from the event/show, ADSEL must be contacted immediately and advised of its location. The renter will then be responsible for the delivery of all equipment back to ADSEL. All equipment must be returned immediately. While the equipment is in transition, the renter is liable for any loss or damage sustained.
- Any equipment returned after the Show end date, will incur a late fee or an additional weekly rental charge.
- NOTE: ADSEL are not permitted to provide extension cords so if you require this service, you will need to contact the contracted ASB Showgrounds Electrical Supplier.
- All expenses will be charged on exhibitors Credit Cards, prior to assistance being provided.

TECHNICAL SUPPORT

- For all on site support other than prearranged training, additional charges will apply based on an hourly rate of \$60 + GST with a minimum charge of 1 hour.
- All on site assistance will be attended to in order of booking.
- For all additional work/support, exhibitors Credit Cards will be charged prior to assistance being provided
- A standard call out fee of \$150.00 + GST will apply for any technical response deemed not to be the fault of ADSEL on setup days and event show days. A fee of \$110 + GST per hour will be charged for any additional time requested. Please note this will only apply if the issue is deemed to be user error.
